Institutional distinctiveness 2021-22

Institutional distinctiveness 2021-22: Solapur Pride Mahila Mahotsav organized by the College in collaboration with Rotary Club of Solapur Pride.

Principal Dr S. B. Kshirsagar was a member of Rotary Club of Solapur Siddigram for last 2-3 years and at present he has been a member of Rotary Club of Solapur Pride. Our college has an MoU with Rotary Club of Solapur Pride. The College in association with the Rotary Club, by utilising its best resources, organized a three day Mahila Mahotsav titled 'Solapur Pride Mahila Mahotsav' on 14th, 15th and 16th October 2022. In the Mahotsav Mehendi competition, Rangoli competition, Cooking competition and Cultural -costume competition were the four competitions organised. This provided any opportunity of participating the colleges' lady students and staff along with the women participants of the Solapur the city in the 4 different competitions. The Mahotsav enables students not only to tap their best potential but also a learning opportunity in the four areas of the competition. The president and the members of the Rotary Club of Solapur Pride played a pivotal role in the organisation of the Mahila Mahotsav. Especially the president of the Rotary Club of Solapur Pride Rot. Mr Rahul Chandak, club Secretary Rot. Shri Avinash Mathpati; members including Rot. Jayashri Chavan & Rot. Atul Chavan did their responsibilities well by putting their best efforts along with the college staff and students for the success of the Mahotsav. Prizes and awards along with mementos were given away in the prize distribution function of the Mahotsav. The major expenses of this event were born by Rotary Club of Solapur Pride. It has been one of the best examples how an association with an NGO can ably contribute for an important activity in a professional college like ours. The college has been greatly indebted to the Rotary Club of Solapur Pride members and leaders for sharing their resources, adding laurels to college fame and enhancing social participation in the college activities
